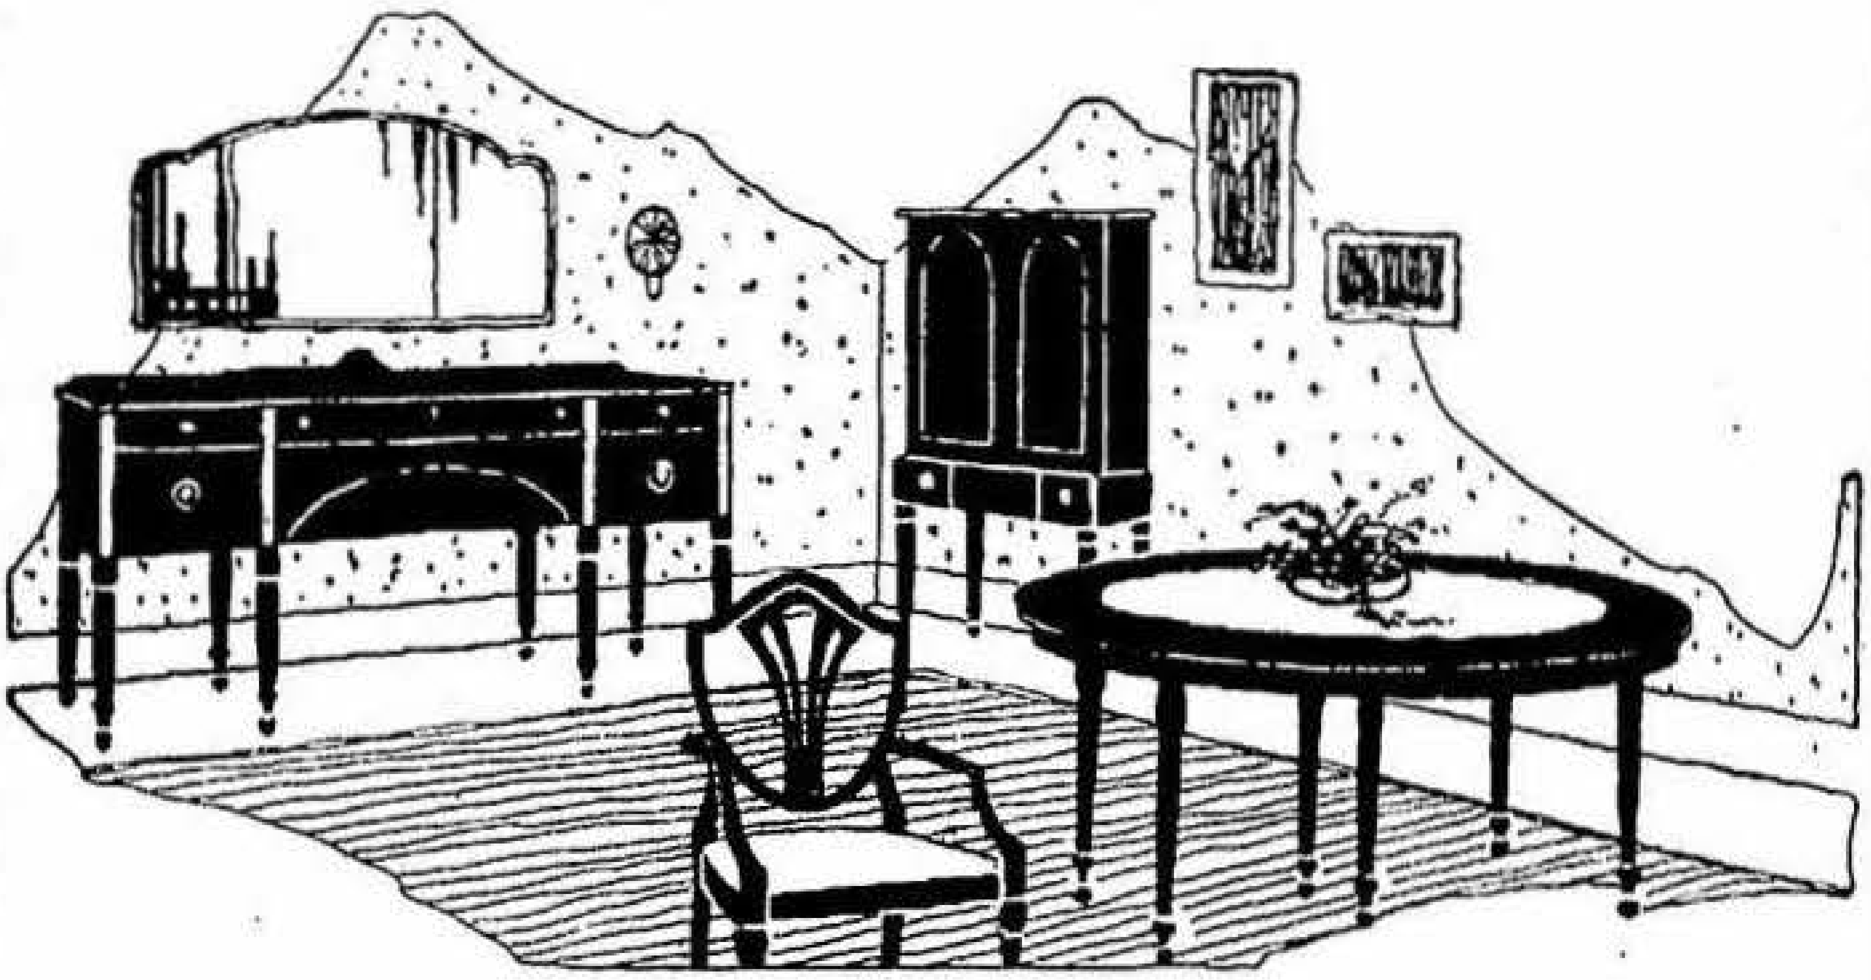
"All the Comforts of Home"



Everything to Make a Beautiful and Livable Home is to be Found in Our Stocks

The fact that your home will only be furnished once, or maybe twice during your entire life is reason enough why you should exercise great care in your selection of furniture.

And the secret of furnishing it satisfactorily, so that you will not grow tired of it, but so it will be an everlasting joy to you, is not in the amount you spend, but the judgment in choosing the furniture you place in it.

Our home furnishing experts will gladly offer you their advice on how to furnish your home in good taste, and at low expenditure, not urging you to buy unless you wish to do so, but suggesting only those things which will harmonize correctly.

Our complete outfits for young couples offer unusual values and whether you wish to furnish your home now or later, the time for you to purchase is now. We will gladly hold the furniture for you until such time as you wish to use it.

SPRINGFIELD STREET GUIDE
AND DIRECTORY OF HOUSEHOLDERS

EXPLANATORY NOTES

In the Street Guide residences and places of business are designated by their street number and are arranged in numerical order.

Names are given of all in business and householders.

The streets are arranged in alphabetical order and the intersecting streets are given at the proper number where they intersect. In cases where no intersecting number could be given the street intersection is dropped.

The word vacant after a number signifies that the house or store at that number was vacant when canvass was made.

A dash (—) signifies that no number has been assigned.

The abbreviation r between the street number and the name signifies "rear".
